Agenda

What did we plan to talk about?

1. Approve last minute.
2. Activities to mark leaving the old school.
3. Discuss our High Fives values.

What was discussed and what did we decide?

1. Approved last minutes.
2. Mrs McGarvey read the information about when the school was built (1930) and when it became Burnside Primary (1962). We discussed some suggestions-
camp overnight, classes make a video of their memories, old fashioned games, dressing up for 60's or 30's, concert of singing through the decades, turn R.1 into a 60's classroom for a week, do artwork on the playground, invite previous teachers in. Next week each rep is to ask if groups in their classes can come up with some suggestions. We will gather these in and look at them after the holiday.
3. We went over our School Values. Mrs. McGarvey told us the number of votes for our High Fives. Shona and Niamh are going to make a flier for each class and we are going to design a leaflet for everyone with our School Aims and Values.
