

Eco Committee Minutes

Date: 12/1/16

Time: 1pm

Location: Room 11

- Eco review/Action Plan

Children discussed the areas completed and created actions.

1. Committee will meet in the ICT suite on Wednesday 20th to create their Litter posters and to write a Litter Policy.
2. Mrs McGovern will laminate the energy signs for the classrooms and Eco members can display these.
3. Miss Tees and Mrs McGovern to research a walking challenge for the whole school to take part in to combat our limits with travel in the decant building.

Further areas were discussed with a few areas left.

- Assembly

Children will present at assembly and share their Eco surgery times, Eco surgery location and the types of things the children will be looking for. Eco Surgery posters will be displayed around the school.

- Eco Surgery

The children voted and agreed on the following points:

The first Eco Surgery will take place on Tuesday 19th January in the open area in the corridor leading round to the infant department.

3 people will man the station and will work on rota for the fortnightly surgeries. Mrs McGovern will place a copy of the rota on the Eco notice board.

- Agenda for Next Meeting

Complete Environmental review

Discuss Eco Ideas:

1. Eco Superstars
2. Cafeteria Recycling Bin for compost

- AOBC
