

# Eco Committee Agenda/Minutes

Date: 10/10/17

Time: 2.00pm

Location: Infant Open Area

- Introduction of new committee

Each new member was introduced and welcomed to the committee. New Committee list will be displayed on the board.

- Duties

Responsibilities regarding meetings were discussed with senior members being responsible for the minutes from the next meeting.

Each member to discuss their class planter with their teacher to feed back what is currently in it and any plans for it for this year. Members also to feed back any initial ideas for Empty Classroom Day

- Photographs

Each member had their photograph taken for display on the noticeboard

- Eco Surgery/Assembly

During Assembly the members of the Eco Committee will outline the school suggestion box (Mhairi to bring in) and the Eco Surgery timetable (1 a month). Senior members will then meet to make posters to advertise.

- Green Flag Display

Mrs McGovern discussed displaying the 3 Green Flags outside in the grounds, somewhere safe. Children to survey the grounds and report back with ideas.

- Agenda for next meeting

Discuss Class planter:

1. Feed back plans for planter or current planting situation
2. Start to think of ideas for grounds development/green flag display
