1. Playground equipment
2. Playground trolley

What was discussed and what did we decide?

The group discussed the playground equipment and were keen to buy new items for the children to use. Mr. Campbell discussed that some of the money raised from the Christmas Class hampers will be used to buy new items.

The group worked in smaller groups and looked through the catalogue and wrote out a 'wish list'. This list will be used to order items for the new term.

The children also cleaned out the two trolleys so they are ready for January.
