What was discussed and what did we decide?

The group discussed a previous agenda item looking at sporting clubs within Burnside. Pupils had spoken with their classes to establish any interest in particular clubs to be offered during extra-curricular times.

The following clubs were noted:-

Lauren: Karate, Netball, Multisport, Boys and girls football

Olivia: Cheerleading, girls football

Dean: Hiphop dance, Yoga, Tennis, Volleyball, Gymnastics, Basketball, Multisport, Rugby, Hockey, Badminton, Girls football, Mixed football

The group unanimously agreed gymnastics and rugby were the keen favourites. Mr. Campbell will see if there is a possibility to run these in Term 3.

Mr. Campbell showed the group the SportScotland Award website and discussed the purpose of the award. Mr. Campbell highlighted that the award has begun and we are looking to apply for a **Gold Award** by the end of the session. The pupils are all keen to get involved. Mr. Campbell asked the children to look at this at home and come prepared for the next meeting.

Mr. Campbell is keen to complete an up-to-date pupil satisfaction survey/questionnaire around P.E. and Sport in Burnside. This will also help drive the application for the Sport award. The senior sports leaders are keen to organise this and will work together with Mr. Campbell at an additional meeting to begin creating this and discuss with pupils at a forthcoming assembly.
